Dinner Party Catering

Why not host a dinner party in your own home or at a venue of your choice, without having to worry about the shopping, the cooking, and the clearing up, baby sitters or taxis.

The host/hostess chooses one or two starters, one or two main courses and desserts depending on the number of people who you wish to invite. The menu is split up into courses to accommodate all budgets.

The full menu is not for your guests to choose from but for you to choose beforehand just as if you were doing the entertaining yourself.

The cost includes everything including china, serving dishes, table cloths and napkins with the table beautifully laid up for your guests. Tea and coffee and chocolates are provided at the end of the meal. Minimum number is 6 guests.

No alcohol is included in the price.

A 25% deposit is required to confirm any booking date with the balance due 1 week in advance.

If you would like to discuss any of the menus or any of the terms and conditions please do not hesitate to contact me.
